Notes to the financial results:

- 1 This statement has been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on February 25, 2020. The statutory auditors have carried out the audit for the year ended December 31, 2019 and have issued an unmodified opinion.
- 2 Figures of the quarter ended December 31, 2019 and December 31, 2018 are the balancing figures between audited figures in respect of the relevant full financial year and the published year to date figures up to third quarter of relevant financial year.
- 3 Effective January 1, 2019, the Company has adopted Ind AS 115 'Revenue from Contracts with Customers'. Ind AS 115 is replacing existing revenue recognition standards viz Ind AS 18 'Revenue' and Ind AS 11 'Construction Contracts'. Using the modified retrospective approach, there was no adjustment required to the retained earnings as at January 1, 2019. Also the adoption of Ind AS 115 did not have any material impact on the recognition and measurement of revenue and related items in the financial results of the Company.
- 4 "Other income" for the year ended December 31, 2019 includes Rs. 182.63 lakhs of provision for certain legal matters no longer required written back.
- 5 Pursuant to the Board of Directors' in principle approval in the year ended December 31, 2016 for the sale of the office space ("Beck House"), at Pune, the Company had classified the written down value of the property amounting to Rs. 521.08 lakhs as 'Asset held for sale' under 'Other current assets'. The Company executed the sale deed for the said property on January 5, 2018 for a consideration of Rs. 2,500 lakhs. The resultant profit on sale of the property was treated as an exceptional item during the year ended December 31, 2018.
- 6 On March 6, 2019, the Company was directed for closure of its operations in Ankleshwar by the Gujarat Pollution Control Board (GPCB) due to a suspected water contamination issue. GPCB through its subsequent orders had granted temporary revocation of the closure order. Last order dated December 23, 2019 received from GPCB has provided temporary revocation upto March 23, 2020. The Company is representing to GPCB for a permanent revocation of the closure order and is doing all the necessary acts, deeds and formalities in that connection.
- 7 On December 24, 2019 (the "Acquisition date"), the wire enamel business of Hubergroup India Private Limited was acquired in the form of an asset deal for a consideration of Rs. 4,500 lakhs. The following table provides an overview of the provisional allocation of the consideration transferred to the assets acquired at the acquisition date:

| Customer Lists | 3,613.30 |
| Non-Compete | 149.72 |

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The Company's revenue from sale of goods gets recognized when control is transferred to customer and there remains no unfulfilled obligation. In terms of exchange of goods, revenue is measured at fair value of the consideration received or receivable, after deduction of any discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax etc.

As described in the notes, adoption of the Ind AS 115 did not have any significant impact on the recognition and measurement of revenue and related items in the financial statements of the Company.

We have considered revenue recognition as a key audit matter since there exists a risk of material misstatement; and additional disclosures are required to be made in the year of adoption in accordance with the applicable accounting standards.

- Assessing whether fair value of consideration received, or receivable has been determined appropriately in terms of the customer contract, reviewing customer correspondence and ensuring pre and post year end cut-off had been appropriately applied;
- Testing of journal entries for unusual/irregular revenue transactions; and
- Evaluating adequacy of the presentation and disclosures

Based on the above stated procedures, we did not identify any significant exceptions in revenue recognition. Further, presentation and disclosures as per the standard was considered to be reasonable.

Responsibilities of management and those charged with governance for the financial statements

- 6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

- 8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- 9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
 a material misstatement resulting from fraud is higher than for one resulting from error, as fraud
 may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
 control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible
 for expressing our opinion on whether the company has adequate internal financial controls with
 reference to financial statements in place and the operating effectiveness of such controls.

INDEPENDENT AUDITOR'S REPORT

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
